NEW EUROPEAN CAMSHAFTS

Experience power and drivability with our brand new Euro cams for all 1960-79 4-cylinder Alfa Romeos. Use a pair for moderate horsepower increase with a flatter torque curve OR couple a Euro Cam on the exhaust valves, with our 11mm-lift Camshaft on the intake valves, for a noticeable power increase with strong midrange punch and no loss of low-end torque.

Single European Camshaft PC456 \$182.00 each

WEBER DCOE CARBURETOR SUPPORT

The originals are out of production so something had to be done! Our support struts are machined from solid aluminum and are beautiful, as well as functional. Preserve your carburetor support soft mounts and use the correct support strut.

Carb Support for 1750 and 2000 AF311 \$39.95

FRONT SUSPENSION REBUILD 105 AND 115 ALFAS

All the ball joints and lower A-arm bushings for 1965-94 Giulia GT, Duetto, TI, 1750 and 2000 GTV's and Spiders to completely rebuild your front suspension. Includes 2 Lower Ball Joints, 2 Caster Ball Joints, a pair of Adjustable Upper Arms, 6 Tie-Rod Ends, and 4 Lower A-arm Bushings. Save 20% over current catalog prices. This offer expires February 28th, 2003.

Front Suspension Rebuild Kit BJ130 \$386.25

EXHAUSTS FOR EVERYTHING

We came up with lots of puns about our exhausting exhaust search, but decided to stick with the basics. We have exhausts for all Giulietta through 164 Alfa Romeos. Giulietta Veloce Headers, Giulietta Normale Mainsections, GTA complete exhaust (can be modified to fit Duetto and TI's too), Zagato Jr., and all the Spiders, GTV's, and Sedans. We also have "stinger" muffler-less tailpipes. Check out the list below and note the LOWER PRICES!
